

TIME-TABLE OF PRACTICAL CLASSES
«PATHOPHYSIOLOGY AND CLINICAL PATHOPHYSIOLOGY»
for students of the 3rd year on the specialty «General Medicine»
2019/2020 academic year, V semester

Approved at the meeting of the department
Protocol № of 30.08, 2019.

Chief of the physiology and pathophysiology
department, professor Gening T.P.

Tening

№	Date	Name of topics
1.	02.09 - 7.09	Subject and tasks of pathological physiology. General nosology.
2.	9.09 - 14.09	Pathogenic effects of environmental factors.
3.	16.09 - 21.09	Cell injury.
4.	23.09 - 28.09	Reactivity and resistance of the organism, their role in pathology.
5.	30.09 - 05.10	Disorders of microcirculation.
6.	07.10 – 12.10	Disturbances of the peripheral blood flow.
7.	14.10 - 19.10	Colloquium.
8.	21.10 - 26.10	Pathophysiology of acid-base imbalance. Pathogenesis of the major syndromes of acidosis and alkalosis.
9.	28.10 - 02.11	Disorders of water-mineral balance. Pathogenesis of the major syndromes of pathology of water-mineral metabolisms.
10.	4.11 - 09.11	Inflammation.
11.	11.11 - 16.11	Inflammation.
12.	18.11 - 23.11	Colloquium.
13.	25.11 – 30.11	Acute phase response. Fever. Hyperthermia.
14.	02.12 - 07.12	Pathophysiology of hypoxia.
15.	09.12 - 14.12	Disorders of carbohydrate metabolism.
16.	16.12 - 21.12	Pathophysiology of the Immune System. Allergy.
17.	23.12 - 28.12	Allergy. Autoimmune Disorders
18.	13.01.2020- 18.01.2020	Colloquium.

The plan was constituted by the docent D.A.Kseyko
